Azerbaijan-R, Turkey and Georgia joint military training - final planning was held

The final planning meeting of the Eternity-2019 Computer Assisted Staff Training Center with the participation of Azerbaijani, Turkish and Georgian servicemen was held in the Center of Military Games of the Armed Forces. The Ministry of Defense reported about this. At the event, the representatives of the relevant bodies of the three countries discussed preparations for the training on the protection of economically important projects in the region and other challenges ahead.
