The period of the victimization game is over, son ! Iran 🇮🇷 punished the illegitimate & spoiled child of the West in the region. From now on, the smallest evil of yours will receive a crushing response. The Muslim people of 🇯🇪 will stand for the cause of 🇯🇪 and you will regret it.

Iran is a terror state, and it is the leading cause of conflict in the region. Iran's attack on Israel is unprecedented. For the first time Iran stopped hiding, after years of using proxies to attack Israel.

From my interview with BakuTV (coming out soon).
